**OPEN LETTER: Nov 8th 2021 - 2:00 pm CDT**  
FOR IMMEDIATE RELEASE

TITLE: TERMINATION OF NOVO.TV FOR SELF-DEALING

Due to a series of hate-based calls November 7th and 8th 2021, to harass members of staff, it has come to our attention that specific TWITCH INTERACTIVE "Content creators" and other parties agency is shared ownership with NOVO.TV.

Where labor represents itself as a free agent **and** as a representative agency seeking to perform 20% commission negotiations with TWTICH INTERACTIVE and other brands and vendors, **while** performing and recouping income from TWITCH INTERACTIVE INC. and AMAZON.COM; such activity appears to be self-dealing by elect income earners to wrongly influence and abuse the market in lobbying for protection of "mature audiences" content targeting "minor audiences" systematically. This was confirmed November 8th 2021, in discovery of 16+ age appropriate claims by streamers over the age of 25 who actively admitted thereby the use of "schoolgirl" themed appearance and solicitation in writing, such targeting of minors below 18 years of age November 8th 2021 performance on TWITCH.TV.

Inquiry in this **concern** for our brand disclosed that such parties are marketing CBD products (Cannibidiol, the product of the cannibis sativa plant) and its sale regulated in the jurisdiction of STATE OF OKLAHOMA.

Where such products, by a known marketing company, are targeting minors specifically - our firm regards such solicitation and public promotion alone, or incorporating sex or sexual content, to be subject restriction and sanctions.

Such content, seeking to enjoy protection afforded minor behavior toward other minors common in new media such as INSTAGRAM and SNAPCHAT, does not support **business plans to exploit children or influence them in recreational drug use** as part of entertainment, artistic expression, or artwork protected under gender equity claims or "inclusion" claim.

Nexus among such products, certain content producers, and TWITCH INTERACTIVE INC. (an AMAZON SUBSIDIARY) in broadcast to unregistered audiences targeting minors and (65%) predominately male audiences, of whom (71%) many are under 35 and almost half (41%) under the age of 24 and as young as 13, affirms our prior concern and cause of action.

As a result of this "employee/contractor" labor group branding as "agency" and "20% rate" which is clearly over the industry standard of 7% ordinary agent fee, we are obligated to ban all persons enjoining such claims from contract or service with SEVEN ALPHA and its related media partners and industry, as extortion contrary ordinary free market access and industry norms in media advertising and liability rules, from which a clear "self dealing" interest is evident and abused.

Where young streamers, under the age of 18, are clearly unfamiliar with these obligations and norms in the industry, claims to take-advantage of young audiences under the guise of "fairness" and "insurance against platform suspension" through other high-income earners on the platform, suggest a very strong "self dealing" among leading talent and in concert with desire to lobby and direct lucrative deals with narco-Interstate promotion in conflict with medical use and restricted use of narcotics across State Lines.

RACCOON TECHNOLOGIES INCORPORATED therefore bars NOVO.TV and its clients, affiliates, and sponsors from service upon or through our network, citing these concerns shown in evidence today by their "owner/operator/sponsor" group upon TWTICH.TV, for cause themed in Oklahoma Statutory Code and United States Code, prohibited activity.

Since Sunday 11:00 am, 15 telephone calls have been placed to harass, menace, and defraud persons at RACCOON TECHNOLOGIES INCORPORATED. These calls appear to be harassment initiated after Saturday November 6th 2021 contact with persons engaged in blackmail, extortion, and fraud - paired with repeated contact on TWITCH INTERACTIVE INC. servers and content developer channels which intensified their conduct against Oklahoma litigants Monday November 1st 2021. In addition to parties kicking down a fence Thursday November 4th 2021, resulting in the loss of a dog and related theft of another animal in the area, we are concerned that this "targeted telecom abuse" appears to arise from previous business activity and 18 USC 2261A felony "stalking" conduct toward property and persons in Oklahoma.

Following May 20 2020 attacks on our office, including threats on Twitch, and July 2021 vehicular attack on our property, the pattern of abuse incorporating unusual behavior by TWITCH INTERACTIVE INC. users and phone fraud in targeted harassment spanning 2015-2021 leads our office to conclude criminal harassment defined at minimum in 21 O.S. 21-1172 designed to intimidate for fraud and coercion of policy of a UNITED STATES CORPORATION against its election to deny business to certain parties, persons, or regions based on defect or deficit of Justice afforded there a violation of Civil Rights.

Whether this is the action of a corporate policy, employee, or leading content producer or their subcontracted staff - the conduct in context to specific violations and physical violence is not acceptable behavior to suppress report of crime.

All brands associated with such conduct, including harassing calls and physical violence, defamation of litigants, and threats of harm will be treated under Oklahoma constitution Article XXIII-1A labor organization rule as a single group by affiliation in evidence upon their formal contact and commercial publications, and classed according to these policies for eligibility or ineligibility of access.

We regret that such activity has damaged the relationship between our business and STATE OF TEXAS, STATE OF CALIFORNIA, STATE OF FLORIDA, STATE OF WASHINGTON, and STATE OF MICHIGAN. However, we may not afford such organizations with nexus documented over concealment and abuse of a child and Interstate threats, fraud, or false claims and exploitation targeting children and minors to be excused based on demand for "endorsement" from any "influence" or other agency or organization, platform, or their employees or contractor/subcontractor(s).

CBD products containing less than 0.3% THC may fall under Federal rule, but use for medicinal purpose requires license in Oklahoma and marketing of such products into STATE OF OKLAHOMA toward minors does not qualify as lawful solicitation outside of medical care and LICENSED consumers. Activity in this context is therefore illegal, and incorporates fraud to impersonate a MEDICARE provider in concert with harassment to abuse disabled and retired persons in targeted unlawful telecommunications employing ANI fraud to conceal the true caller in 15 counts.

Harassment of persons to intimidate or DOX in the media sphere is criminal, and a liability for which we will not admit partnership or affiliation or other benefits in contractual right to participation or bidding.

Sincerely,

RACCOON TECHNOLOGIES INCORPORATED

JAMES A. ALLEN, PRESIDENT
